2026 TOYOTA HIGHLANDER

2.5L Hybrid 4WD Supreme - 7-seat

Configuration data source: GAC Toyota official configuration table

This document covers only the represented trim shown above. It does not include other versions or a manufacturer guide-price comparison.

Optional equipment may vary by market and production availability. Please contact TKM Motors for confirmation.

Connected services require activation and may depend on device compatibility, network coverage and third-party service availability. Final market specification should be confirmed with TKM Motors.

BASIC SPECIFICATIONS

Specification / equipment	Details	Status
Length x width x height (mm)	4965 x 1930 x 1750	Standard
Wheelbase (mm)	2850	Standard
Front / rear track (mm)	1655/1660	Standard
Minimum turning radius (m)	5.7	Standard
Kerb mass (kg)	2105	Standard
WLTC combined fuel consumption (L/100 km)	5.97	Standard
Fuel-tank capacity (L)	65	Standard
Seating capacity	7	Standard

ENGINE & TRANSMISSION

Specification / equipment	Details	Status
Engine type	Inline four-cylinder, 16-valve DOHC with VVT-iE intake and VVT-i variable valve timing	Standard
Fuel-delivery system	EFI D-4S dual injection: direct injection and port injection	Standard
Emissions standard	China VI	Standard
Engine displacement (mL)	2487	Standard
Compression ratio	14	Standard
Engine maximum power (kW/rpm)	139/6000	Standard
Engine maximum torque (N.m/rpm)	236/4200-4700	Standard
Maximum speed (km/h)	180	Standard
Transmission	E-CVT electronic continuously variable transmission	Standard

HYBRID SYSTEM

Specification / equipment	Details	Status
Electric-motor type	Permanent-magnet synchronous motor	Standard
Motor peak power (kW)	134 front / 40 rear	Standard
Motor peak torque (N.m)	270 front / 121 rear	Standard
Combined system output (kW)	181	Standard
Hybrid-battery type	Nickel-metal hydride battery	Standard
Battery modules	40	Standard
Battery capacity (Ah)	6	Standard

CHASSIS, BRAKES & STEERING

Specification / equipment	Details	Status
Front / rear suspension	Front MacPherson-strut independent / rear double-wishbone independent	Standard
Power steering	EPS electric power steering	Standard
Front / rear brakes	Ventilated disc brakes	Standard

FOUR-WHEEL DRIVE

Specification / equipment	Details	Status
E-FOUR electronic four-wheel drive	Included	Standard

EXTERIOR

Specification / equipment	Details	Status
Opening segmented panoramic sunroof with anti-pinch protection	Included	Standard
Roof rails	Included	Standard
Shark-fin antenna	Included	Standard
Alloy wheels	20-inch high-gloss	Standard
Tyre size	235/55R20	Standard
Folding heated exterior mirrors with turn indicators	Automatic folding and memory; blind-spot indication; courtesy lamps	Standard
Power-adjustable exterior mirrors	Included	Standard
Variable intermittent wipers	Included	Standard
Rear privacy glass	Included	Standard
Door-sill plates	Included	Standard
Chrome side-window trim	Included	Standard

LIGHTING

Specification / equipment	Details	Status
Array-type LED headlamps	Included	Standard
Automatic light-sensing headlamp system	Included	Standard
LED daytime running lamps	Included	Standard
LED front fog lamps	Included	Standard
LED combination tail lamps	Included	Standard

INTERIOR

Specification / equipment	Details	Status
Multifunction steering wheel with four-way adjustment	Heated	Standard
Leather steering wheel and gear selector with bright-silver trim	Included	Standard
Premium technology cabin	High-gloss metallic trim and ambient lighting	Standard
64-colour ambient lighting	Included	Standard
Digital rear-view mirror	Included	Standard
Premium leather-trimmed interior door armrests	Included	Standard
Touch-operated front and rear reading lamps	Included	Standard
Luggage-compartment cover	Included	Standard
Second-row centre armrest and cupholders	Included	Standard
